JAMIE'S STORY

On Friday, September 21, 1979 at 8:06 a.m. our beautiful daughter, Jamie Lynn, came into this world. She was a sweet, happy and loving child who grew to be the same kind of person as an adult.

Jamie was the oldest of four children. She had three brothers: twins (Chad and Nicholas), were born 18 months after Jamie. Then Jason came along three years after the twins. It was apparent from very early on that Jamie was not going to be pushed around by her brothers. In fact, she bossed them around on a regular basis.

Jamie went to catholic grade school and high school. She graduated college from Penn State with a business degree. She was a very dedicated hard worker and worked at The pt Group from the time she was 17. She loved her job, but she was looking for more to do. She enrolled in Empire Beauty School where she learned to be a nail technician. She immediately loved doing nails and ended up buying a hair salon. She was so happy working at The pt Group half day and the salon the other half.

Her dreams were all coming true. Jamie met Tom Hall in 2006 and they married on September 25, 2010. The whole day was beautiful and both Jamie and Tom were very happy.

They wanted to start a family; Jamie really wanted to be a mom. They realized that it was not going to be as easy as they had hoped. They sought help and went through different treatments and protocols. After a few disappointments, and a very long labor, our beautiful tiny Chloe Elizabeth was born on October 28, 2014. Tom and Jamie were over the moon. They got their sweet, spunky, fun-loving little girl. They felt so blessed to have a beautiful, healthy baby. Chloe was their world and never left Jamie's side. They were together 24/7. Jamie was very protective of her.

After the difficulties of trying to conceive Chloe, they didn't think it was possible to have another baby. But, on Jamie's 38th birthday, they announced they were going to have another child. The whole family was so happy and excited. Chloe was going to be a big sister. On April 7, 2018 our beautiful, healthy Cody Thomas was born by emergency C-section. All seemed well with both Jamie and Cody. They were both discharged after being in the hospital for only two days.

Jamie, Tom, and Chloe were happy as can be. Their little family was complete. They had a girl and a boy, they thought life couldn't get any better. Who would of thought that Jamie had only 38 days to live?

Tuesday, May 15 started out like any other day. It was a beautiful sunny day. Jamie was going shopping for a few last-minute things for Cody's baptism, which was to be the following Sunday. Around 8:15 a.m. tragedy struck. God decided it was time for Jamie to go home to Him, leaving her two beautiful children who she loved with all of her heart. Our precious Jamie: daughter, sister, wife, and mommy, suffered a postpartum hemorrhage and passed away at 1:10 p.m. that day. We were all in shock and disbelief, and are still in denial at times. There is so much devastation all around from losing her. Not just with us, (her family), but with so many relatives, friends and others who knew her in any capacity. We are all lost without her and our lives will never be the same. The Earth has lost a bright light and sweet soul. Heaven has received a blessed angel.

We, her family, are determined to keep her memory alive for her kids and all who knew and loved her. We ask that anyone reading this will always keep our family in your prayers. Every hour of every day is a struggle without her.

HOW WE HELP

October 2022 This fall, the Foundation teamed up with the Latrobe Rotary Club to help fund their back pack program. The program supplies food for elementary school students in need throughout the Greater Latrobe school district.

September 2022 For September we chose to support The Foundation for Christian Counseling. Their foundation offers grants to people in need of clinical grief counseling services, but cannot afford them.

Additionally, we contributed to the Food 2 Go 4 Kids program via Our Lady of Grace Church. The program provides weekend and holiday food bags for children that qualify for the free and reduced lunches through West Point Elementary school.

August 2022 This month, we made a donation to Circle Camps. The Camp's mission is to provide a free summer camp for girls who have experienced the death of a parent. Their goal is to help prepare girls to become confident young women while dealing with the loss of a parent. The donation provides items the campers will need for this upcoming season.

July 2022 In July, the Foundation established The Jamie Cordial Hall Memorial Endowed Scholarship and the Jamie Cordial Hall Annual Kindness Scholarship Award to provide tuition assistance to the families of students interested in attending the preschool programs at the Seton Hill Child Development Center.

"The Seton Hill Child Development Center offers full and half-day programs for 3, 4 and 5-year-olds to help them develop social skills while providing a foundation for learning in science, art, math, language arts, music and movement," said Maria Stone, Director of the Child Development Center at Seton Hill. "We are grateful to the Jamie Cordial Hall Foundation for this generous gift to enable children - regardless of their financial circumstance - to benefit from the Center's programs as they begin their educational journey."

May 2022 This month, the Foundation made a donation to the Compassionate Friends- Greensburg Chapter. The group is a self-help organization offering friendship, understanding, and hope to bereaved families that have experienced the death of a child.

April 2022 This snowy April we made contributions to Catholic Charities, Autism Speaks and Cancer Bridges. Feel free to click on the links to find out more about these great organizations!

Additionally, we became a Platinum Sponsor of the Norwin Playground Project, which was formed to replace and upgrade playground equipment at each of the Norwin district's elementary schools.

March 2022 This spring we chose to aid the Greater Pittsburgh Food Bank's Feed the Need Program. Our donation provided 5,000 meals for children in need. For more information on the Food Bank's programs, [click here](#).

February 2022 The Foundation has recently made a donation to Birthright of Johnstown. Birthright is an organization that supplies new moms in need with supplies, clothes and other necessary items for their newborn babies. Jamie had such a strong love for all children and always wanted to help those who were disadvantaged in any way.

January 2022 This month the Foundation made a donation to St. Jude's Children's Research Hospital. St. Jude's Children's Research Hospital's mission is to advance cures and means of prevention for pediatric catastrophic diseases through research and treatment.

Aficionados

The Aficionado Award goes to the highest bidder in the live auction at the end of the evening.

We appreciate the generosity of our Aficionados.
